

Invitation: "Autism Experience" Exhibition, Ennis

Our organisation, **AsIAM**, with the kind support of the Department of Justice and Equality, is bringing our interactive "**Autism Experience**" Exhibition to Ennis on **Thursday 20th and Friday 21st October** in the **Temple Gate Hotel**.

The exhibition aims to give visitors (particularly young people) an experience or understanding of what life with Autism is like. Its a pop-up exhibition and is self-guided with the aid of an MP3 player.

The whole exhibition was developed with the support of our Youth Leadership Team, a group of young people who have Autism.

The exhibition is free to visit and in previous venues we have found HSE staff to find it to be very enlightening and enjoyable. I would like to invite your team to attend. People can call in individually or alternatively a group booking can be made at the link below
