

# Special Olympics Young Athlete Programme

Hello,

I'm writing on behalf of a new Special Olympics club, **Treaty Stars Academy**, we are in the process of setting up in Limerick which will cater specifically for young children with special needs from the ages of 4-12.

We are hosting a "**Come & Try**" day on **Saturday 31st August** in **Catherine McAuley School** in Limerick from **12-2pm** for parents to bring their children so they can have a look at what we will be offering.

There is further information on the programme and about us at our website, [www.treatystars.ie](http://www.treatystars.ie) and we've also created an event of Facebook at <https://www.facebook.com/treatystarsacademy/>
