

Decision Making, Young People & Article 12 CRPD

Young people with disabilities are invited to take part in a research project

Who?

Young people with disabilities aged between **15 and 20 years** including people with

- physical disabilities,
- sensory disabilities,
- intellectual disabilities,
- autism
- or experience of the mental health system.

What is involved ?

This research is about the decision making for young people with disabilities. For this research people will have to write down or record the decisions they make over 12 weeks and share this information with the researcher.

How can I find out more ?

For more information or if you would like to take part contact Clíona at c.debhailis1@nuigalway.ie or on 086-6032755
