

# Coronavirus: We can still have fun.

This Social Story was written by Gino Lerario [gino.lerario@hse.ie](mailto:gino.lerario@hse.ie) for the North Tipperary Children's Services using Carol Gray's Social Story Method. 7

Because of Coronavirus,  
we can't get too close  
or touch each other too much.

But we can still have fun!  
We can find ways to play and work  
*differently.*

Playing differently means finding  
games where we stay back from  
each other ...

but still have fun.

Like Simon  
Says,

or Hula Hoops,

Or Jump  
Rope.

We could use  
the phone and  
computer to  
play & chat  
as well.

What other ways can we have  
fun - ways that are different?
