

## Fundraising during Covid-19

---

Conor Dolan, Barry Dolan & Stephen Hayes completed a fundraiser in June and raised just under €10,000. They walked 100km over 3 days from Galway to Limerick to raise money for 4 charities which are close to their heart; Down Syndrome Limerick, Fighting Blindness, Clare Children's Services and Daughters of Charity Lisnagry

On behalf of all staff and families associated with these services can we say **Míle Buíochas** to Conor, Barry and Stephen
