

Five Ways to Keep Safe When Walking Along the Road

This Social Story was written by Gino Lerario gino.lerario@hsc.ie for the North Tipperary Children's Services using Carol Gray's Social Story Method. To adapt it, go to www.carolgraysocialstories.com for the 10 criteria for writing Social Stories.

There are five ways to keep safe
when we are walking along the road.

1. Stay on the footpath.

2. STOP LOOK
and LISTEN;

3. Cross at the Corner,
at the Roundabout, or at
the Zebra Crossing.

4. Wait for
the Green Light
or the Green Man.

5. Walk, Don't Run

Mammy and Daddy can help us to ...

Stay on the footpath;

Stop, look and listen;

Cross at the corner
and zebra crossing;

Wait for the green light
or green man;

Walk, don't run.
