

Walk. Don't Run

This Social Story was written by Gino Lerario gino.lerario@hse.ie for the North Tipperary Children's Services using Carol Gray's Social Story Method. To adapt it, go to www.carolgraysocialstories.com for the 10 criteria for writing Social Stories.

Another way to keep safe
on the footpath is
to walk slowly and don't run.

When we walk slowly,
it's easier to
STOP, LOOK, and LISTEN
for vehicles.

If we want to run,
we can wait for
the playground
or the garden -
where it's safe to
run.

Foot paths are for walking
carefully.
