

LIFE MATTERS PODCAST

Hi All,

Please see attached below information on a series of 6 podcasts developed by colleagues in Laois Offaly CYPSC. They may be of use to pass on to families or colleagues on various Autism topics. All the content was generated locally with young people interviewing Dr. Peter Vermeulen, Dr. Penny Rogers, Dr. Gillian Harris and a range of other speakers on universal topics.

The podcasts are available on Spotify, anchor and apple podcast, google podcasts etc.. If You don't use a Podcast APP that's ok you can just use this link to the Podcast Website and listen there.
