

Children's Disability Family Network

Coffee Morning

“Have Your Voice Heard”

What is the Family Network?

It is a place where you can connect with other families and the Children’s Disability Network Team (CDNT), to discuss ideas and issues around the services and supports, offered. It gives families a chance to let their team know what’s working well, what isn’t working so well, what you would like to see more of, as well as any new ideas you may have.

Why is the Family Network important?

The Family Network provides a space for families and the support networks of the children being supported to be updated and ask questions.

Its important that your voice is heard and at the centre of services in which we design and deliver. Each Forum elects two Parent Representatives who bring the views from the Forum to the key decision makers.

How Can I get Involved?

The Family Network meetings take place 4 times per year each session lasting two hours. You will receive an invite to each meeting and can attend as many as you like. If you have any questions you can contact your team or the Children’s Disability Network Manager.

Specific concerns about your child

The purpose of the Family Network is to discuss general issues and ideas with an aim to service development and improvement. If you have specific concerns about your child or wish to make a complaint you should speak with your team or the Children’s Disability Network Manager.

Our next Family Network Meeting is due to take place on:

Thursday 3rd October at 7pm

Venue: **Virtual**

If you would like to come along, please follow this link to book in and get the link to join the virtual meeting:

Or you can email reception.ntcs@hse.ie and we will email you the link to join the meeting.
