Dear Parents and/or Guardians,

I am inviting you to participate in an important online survey. We are conducting research on understanding the experiences of children and families when accessing the special educational needs assessment and intervention services in Ireland, and your insights as parents are invaluable to us.

The survey is completely anonymous and will take approximately 10-15 minutes to complete. Your responses will help us better understand and improve the identification and support for children with special educational needs in Ireland.

**To participate, please click the link or scan the QR code below:**
