

### **Information for families**

#### **Subject: National Disability Authority review of the CDNT Service Model, family survey**

Dear Family

The National Disability Authority have commenced an independent review of the Children's Disability Network Teams Service Model. As a part of this review, we are seeking the views of parents and families who either currently use the service or are on the waiting list for CDNT services.

All families currently accessing or waiting for CDNT supports are being invited to complete a Family Survey, which can be found by scanning the QR code or following the link below:

<https://www.surveymonkey.com/r/HGM5SRB>

You can complete the survey for more than one child. Any information you provide will remain confidential to the NDA team and individual information will not be shared with either the HSE or your CDNT. No individual or CDNT will be identified in the findings of this review.

For further information about this review please read the [participant information leaflet available here](#) or contact the project manager for the NDA Dr Andrew Wormald by email at [cdntr@nda.ie](mailto:cdntr@nda.ie) or by phone on 01 608 0420.

I would like to thank you in anticipation of your time taken to complete this survey.

Yours sincerely

Dr. Andrew Wormald  
Senior Research Officer
