## **ADAPTED TRICYCLE DEMONSTRATION BY HEALTHCARE COMPANIES**

Is learning to cycle a goal for your child or young person? Have they tried to learn to cycle with a standard bike, but found it very difficult, even with help? If so, an adapted bike or tricycle may be appropriate for them. This day gives an opportunity to meet the companies that supply these trikes, and to see if they would suit your child or young person. Variety-the Children's Charity of Ireland may grant funding towards the cost of a tricycle, more information regarding same will be available at the demonstration.

You and your child/young person are invited to attend the adapted tricycle demonstration by healthcare companies in the ballroom of the Abbey Court Hotel, Nenagh.
