

Summer Activity breaks for Young Carers

Dear all,

Please see the below for your information, shared on behalf of CYPSC and Family Carers Ireland. Please feel free to share within your networks, particularly with parents and families, youth workers and other family support staff.

All activities are covered within our programme budget and are FREE for young carers aged between 10 and 17 years to attend. This includes children who have a sibling with additional care needs. We will endeavour to run buses from key locations so that most young carers can attend. Places are limited and we may need to form a waiting list once all places are filled.

Summer Activity breaks for Young Carers

Limerick/ Clare and surrounding areas: Derg Isle adventure centre, Wednesday 8th July 2026 (bus from Limerick City)

If you would like to register for any of the activity days, please complete the registration form at the link : <https://form.jotform.com/240722287925360>

Please Note: We will endeavour to run bus transport to the above summer activity days from key locations in the nearby areas, but it may not always be possible due to budget and staffing. Please register your interest and we will do our best to arrange suitable travel options.
